PREPARE FOR YOUR APPOINTMENT

ID preparation checklist

Check only the documents you plan to bring. You do not need every item listed. Your notary confirms ID eligibility; your lender confirms which additional documents it accepts.

1 Primary photo identification

Confirm the ID you plan to bring.

- [ ] State-issued driver's license
- [ ] State-issued non-driver ID card
- [ ] U.S. passport
- [ ] Foreign passport
  Florida notarization requires the specified U.S. immigration stamp.
- [ ] U.S. military ID card
  Confirm photo/signature requirements with the lender.
- [ ] Other U.S. government photo ID
  Confirm Florida eligibility and lender photo/signature requirements.
- [ ] Alien Registration / Permanent Resident Card
  Confirm the issuing agency and card eligibility with the notary.

2 Secondary identification

Only when requested and accepted by your lender.

- [ ] Social Security card
- [ ] U.S. birth certificate
- [ ] Voter registration card
- [ ] Most recent W-2 form
- [ ] Recent paycheck stub
  Showing your name and employer.
- [ ] Government-issued visa
- [ ] Property tax bill or utility/property record
- [ ] Union ticket or institutional membership card

Florida notary ID requirements

For Florida notarization, qualifying identification must be current or issued within the past 5 years and bear a serial or other identifying number. The notary confirms the document type and any additional conditions.

When a lender asks for a second ID

Secondary documents are examples for lender requests, not a universal accepted list. Bring one only when your lender requests and accepts it. They do not replace an ID acceptable for notarization.

Preparation checklist only. Mark the items you plan to bring; no ID numbers are recorded.
